# SAFETY SKILLS STRENGTH and fun!

We are dedicated to teaching the fundamental skills of water safety, swimming, and appropriate poolside behavior. Lessons are designed to accommodate all experience levels and we specialize in developmental skills for children with special needs. We will help develop your child into a happy and confident swimmer.

## WE WORK WITH CHILDREN 3 YEARS AND OLDER.

*Our goals of the lessons:*

### **Beginner**

Your child will be able to blow bubbles, put his/her face underwater, kick on the kick-board, float on their back with help, and swim out to an instructor.

### **Intermediate**

Your child will be able to swim under water, come up for air, and swim 10 yards to an instructor above and/or below the water.
